

Double Mocha Protein Powder

Create a protein powder using our custom ingredient-blending solutions. Our in-house R&D experts work closely with your team to develop a best-in-class product. Utilizing our custom ingredient blending capabilities can increase both your purchasing and plant efficiencies.

INGREDIENTS	PERCENTAGE (% AS IS)
soy protein isolate	86.6
natural cocoa	6.5
espresso powder	4.0
natural flavor	1.1
guar gum	0.7
sea salt	0.6
stevia leaf extract	0.5
Total	100.00

PREPARATION:

1. Pour half of soy protein isolate into blender.
2. Add natural cocoa and espresso powder and blend for 5 minutes.
3. Add natural flavors, guar gum and stevia leaf extract while blending for another 2 minutes.
4. Add remaining half of soy protein isolate into the blender.
5. Add sea salt evenly across the blender and continue blending for 10 minutes.

Protein powders are produced in our SQF-certified manufacturing facility located in St. Louis, MO. Our facility offers both liquid-blending and dry-blending capabilities, packing rooms, state-of-the-art labs, superior quality control testing and validation, and strict regulatory adherence and allergen control. We are able to blend in 300-pound volumes and above and offer heat-sealed packaging.
