*The % Daily Value tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

Stabilizer and sweetener systems are produced in our SQF-certified manufacturing facility located in St. Louis, MO. Our facility offers both liquid-blending and dry-blending capabilities, packing rooms, state-of-the-art labs, superior quality control testing and validation, and strict regulatory adherence and allergen control. We are able to blend in 300-pound volumes and above and offer heat-sealed packaging.

The above information is presented in good faith, but is not warranted as to accuracy of results. It is solely for your investigation, verification, and consideration.
