Food Service

Focused on providing exceptional customer service, IFPC is your trusted source for food service ingredients. We respond quickly to meet our customers' needs and offer both technical and application support. To ensure their success, we have a sales team dedicated strictly to our food service customers needs.

We help food service providers:

- ▶ Keep a close eye on the commodity markets by providing updates from our in-house experts
- ▶ Reduce costs by bundling multiple orders on single shipments
- ▶ Leverage our distribution centers across the country for fast and efficient delivery
- ▶ Make smart and strategic buying decisions
- ▶ Choose their order quantities - we offer single bags to full truckload shipments
